

TOUCHING LIVES

St. Luke's
FOUNDATION
2008 ANNUAL REPORT

For as long as we walk this earth,
we touch the lives of others.
Sometimes we can see the impact
of our actions. But often we are
unaware of the profound effect we
can have on those around us.
In 2008, your support of St. Luke's
Foundation touched the lives of
many people in our community.
It is our privilege now to offer this
glimpse of those you touched.

TOUCHING LIVES THROUGH ST. LUKE'S FOUNDATION GRANTS

To have the opportunity to touch the life of another in a positive way is a blessing and a gift. At St. Luke's Foundation, we are blessed year-round with the privilege to bestow grants that will change and even save lives. Your gifts to the Foundation enable us to award grants that support our mission of advancing patient care, health education and clinical research.

The grants we give are really your grants, because it is your gifts that allow us to touch lives at St. Luke's and throughout our community. It is your gifts that make it possible for us to support the St. Luke's Chest Oncology Initiative with the purchase of Endobronchial Ultrasound (EBUS) technology. It is your gifts that are warming the hearts, and everything else, of our very youngest patients – premature babies who now can be treated and monitored in new warming beds in St. Luke's Birthing Center.

Within this annual report, you will see examples of the grants you have supported. More importantly, you will see proof of their importance through the eyes of the people they've touched.

Dear Friends,

If ever there was a time of need, an opportunity to reach out and touch the lives of those around us, this is surely it. And if ever there was an example of the strength and commitment of donors like you who support St. Luke's, 2008 clearly demonstrated your dedication.

Despite the tremendously difficult economic conditions that surround us, you and our other donors made 2008 our best year ever in terms of giving. That is both remarkable and gratifying.

Through your donations, you are telling us that you believe in the important work we do. You believe in the many ways we are touching lives all around us. You want to continue funding grants for groundbreaking equipment like the St. Luke's Chest Oncology Initiative's Endobronchial Ultrasound (EBUS), wellness programs like Fit City Duluth and scholarships for future medical professionals.

And that is exactly what we will continue to do. Despite a decrease in the value of our net assets due to market changes, with your unwavering support, we continue to rise to meet the unprecedented demands on our health care system and patient needs that are greater than ever. Your gifts enable us to fund the programs that advance patient care, health education and clinical research.

Thank you for your continued and strengthened support of St. Luke's Foundation during these challenging times. Because of you, we extended our reach even further in 2008, touching, healing and improving lives across our region.

JOINING TOGETHER TO *touch lives*

The grateful handshake of an elderly man able to return home sooner following surgery using new, less-invasive equipment. The happy laugh of a preschooler reading a new book presented to him by his pediatrician. The satisfied smile of a woman who feels better after beginning treatment for Vitamin D deficiency, having been diagnosed as part of a study funded by a grant from St. Luke's Foundation.

As rewarding as it is to see the good that comes from the grants you enable us to give, it is equally rewarding to see the many people who come together from throughout our community and region to volunteer and raise the money needed to fund those grants.

For instance, at our annual Circle of Light fundraiser, many of our friends joined together to touch the very newest of lives, helping fund the grant we presented to St. Luke's Birthing Center for the purchase of new specialty infant warming beds. This was in addition to the funds raised to support the St. Luke's Chest Oncology Initiative. Proceeds from the evening helped purchase new Endobronchial Ultrasound (EBUS) technology.

The *Circle of Light*

It was at the *Circle of Light* celebration that we were privileged to honor a few key people who have shown significant support for St. Luke's Foundation. Each year we recognize supporters in three categories: physician, employee and friend, and in 2008

we honored David Arvold, MD, St. Luke's Internal Medicine Associates; Mary Beth Mitchell, St. Luke's Purchasing; and friends Verna and Arend Sandbulte.

Others chose to touch lives using rocks and brushes. The 2008 *House of Hearts Celebrity Bonspiel* raised more than \$40,000 for the Foundation. This fun-filled and highly competitive tournament supports the Infusion Therapy Clinic Pharmacy and a Cardiac Telemetry System at St. Luke's.

We've continued to offer *McKissack Scholarships* to help defray education costs for nurses at St. Luke's. We know that nurses touch so many lives, and this support allows them to provide an even higher level of care. The 2008 recipient was Amy Hyopponen, who works in IT.

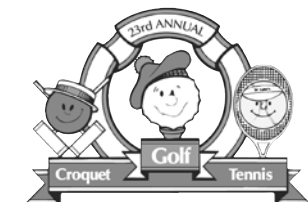

The 4th annual *Women Rock* event is a rockin' good time each fall, cleverly coinciding with the opening of deer hunting. Women in a range of rocking chairs enjoy pampering and fun, with money raised touching the lives of women who have breast cancer.

Organizers of the *Sand Lake Shuffle* continue raising money at a pretty good pace. The fundraising walk is held each year in Britt, MN, at Voyageur's Sand Lake Resort. In 2008, its 17th year, the walk raised \$6,000, which was donated for cancer research and assistance at St. Luke's.

The *Cancer Shoot-Out* continues to score large community involvement for the one-day hockey tournament. The 2008 event raised \$19,000.

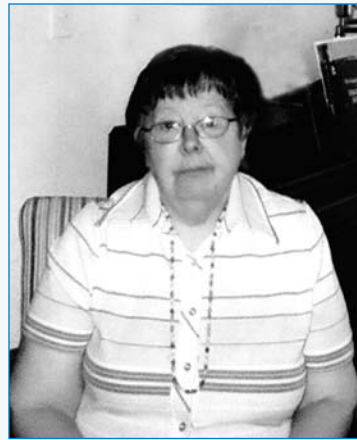

Duffer McDivot and friends took to the greens once again, golfing and raising funds in our annual *Benefit Tournament*. The 2008 tournament raised \$50,000. The golf, tennis, bridge, canasta and croquet event is our oldest fundraising effort.

As you can see, we are surrounded by a community of support, which makes it all the more exciting for us to give that support right back, advancing patient care, health education and research at St. Luke's and throughout the region.

donors OF TEN OR MORE CONSECUTIVE YEARS

St. Luke's Foundation is proud to present the following individuals, businesses and families and thank them for their continued contributions, touching our community for more than ten years.

Dorothy Vogeler has been supporting the Foundation for 22 years as thanks for the wonderful health care she's received at St. Luke's. "I have had two knee replacements at St. Luke's," said Dorothy, "and the results were excellent both times. I've never had any trouble with them."

We consider it a high compliment when donors are inspired to support the Foundation out of gratitude for the care and healing St. Luke's provided. We can then complete the circle of giving by using such donations to improve patient care, as well as support health education and clinical research.

2008 Donors

All donors who gave to St. Luke's Foundation between January 1, 2008, and December 31, 2008, are recognized in this report. Every effort was made to include all donor names from this time period.

If your name is omitted, misspelled, or listed incorrectly, please accept our sincere apologies, and contact the Foundation office at 218-249-5673. We appreciate your generous support.

1881 remains a notable year in St. Luke's history. It's the year St. Luke's first opened its doors above a blacksmith's shop. Today, annual donors of \$1,881 or more become members of St. Luke's Foundation's 1881 Society.

Thank you for supporting St. Luke's Foundation.

MANY WAYS TO *give*

Coming together to give is crucial to St. Luke's Foundation and its mission. All gifts, no matter the size or method of giving, contribute to advancing our reach. Gift-giving options are listed for your consideration.

Outright Gifts

Often the easiest to arrange, many donors support us through gifts of cash, checks, credit cards (VISA / MasterCard), securities or stocks, real estate and in-kind gifts.

Life-Income Gifts

One of the following trust options may be the best fit for you:

- Charitable Remainder Annuity Trust: A trust that pays you a set income annually.
- Charitable Remainder Unitrust: A trust that pays a fixed percentage of the trust's assets.
- Charitable Lead Trust: A trust that pays a fixed or variable income to St. Luke's Foundation for a set term, and then passes to heirs.

Life Insurance

Name St. Luke's Foundation as the beneficiary for income tax deductions.

Retirement Plan

Name St. Luke's as the beneficiary of the remainder of the assets after your lifetime avoiding a heavily taxed gift to heirs.

Retained Life Estate

Designate the ownership of your home to St. Luke's while you retain occupancy.

Bequests in Wills

Please tell us if you have named St. Luke's Foundation in your will. We would love the opportunity to share our appreciation.

Sample bequest language for St. Luke's Foundation:

"I, (name) give, devise and bequeath to St. Luke's Foundation (written amount or percentage of the estate or description of property) for its unrestricted (without conditions attached) use and purpose."

If you want to restrict your bequest, please consult with St. Luke's Foundation when you make your will to be certain your intent can be accomplished.

GiftCalcs Planner

Giving on-line is easy.

Visit www.slhduluth.com and click on the Foundation link. In addition to our online giving form, you'll find our GiftCalcs Planner – an interactive tool that lets you run sample gift calculations and their financial benefits to you.

For more information on how you can support the mission of St. Luke's Foundation, please contact Catherine Carter Huber at: 218-249-2420 or ccarterhuber@slhduluth.com. We would be honored to work with you to ensure your wishes are carried out in the manner that best meets your needs.

This information is not intended as legal, tax or investment advice. For such counsel, please contact an attorney or tax or investment professional.

Verna and Arend Sandbulte have shown tremendous support for St. Luke's and the Foundation over the years. Arend was a board member at St. Luke's for 11 years. The couple marked their 20th year of giving to the Foundation in 2008, and will continue their support of the Foundation and St. Luke's long into the future, through their estate.

"If you believe in the future of St. Luke's and its mission, it's an easy jump to support St. Luke's Foundation," said the Sandbultes.

They have a particular interest in supporting medical education, and see their gift to the Foundation as a way to leave a legacy that endures.

"It's important for a lot of people to think through their estate plans," said the Sandbultes "What do they really want to do with their money after they're gone to extend the meaning of their lives."

"It's important for a lot of people to think through their estate plans. What do they really want to do with their money after they're gone to extend the meaning of their lives."
