

Drawing *Connections*

St. Luke's

FOUNDATION

2009 ANNUAL REPORT

We're making the connections to create a healthy community

When a child connects the dots on an activity page, the action brings together many separate points, revealing a single, unified picture. It could be said that St. Luke's Foundation works in similar ways. We see individual points of need – for new medical equipment at St. Luke's, for new research projects that ultimately benefit patients from around the region, for raising community awareness through education of the importance of healthy lifestyles. It is our great opportunity, then, to connect those “dots,” with the generous donations of our supporters, completing the picture of a medical home and improving the quality of life for everyone in our region.

In 2009, despite tremendous challenges created by the economy, the Foundation experienced growth in donations for the fifth straight year. Your trust in our ability to recognize and respond to needs, and the value you place on assisting us as we execute our mission continue to exceed expectations. Thank you for your continuing support.

Connecting life-saving technology with people in need.

When Bill Vukich headed out for a morning of ice fishing on Big Sturgeon Lake in January of 2009, he had no idea his heart would soon connect him to the many friends of St. Luke's Foundation whose generosity made it possible to add a new Cath Lab at St. Luke's.

Bill was taking a 98-year-old friend spear fishing that day. After a couple hours, the men reached their limit and headed back to Bill's garage to clean their catch. It was while lifting “the big one,” a 12-pound Northern, that Bill started experiencing hot flashes. Not feeling well, he had his wife call 911.

The next hour and a half was a whirlwind of connections as the severity of his situation became clear. He was treated first by EMTs from Side Lake and French Lake Township. Next came the Chisholm ambulance, which transported him far enough to meet a Hibbing ambulance, which was equipped with a defibrillator. By the time he reached the hospital in Hibbing, Bill could hardly breathe.

Bill was airlifted to St. Luke's and rushed to the Cath Lab. Dr. Lee Giorgi determined Bill had a clogged artery and inserted a stent to open it. “Dr. Giorgi, everybody, treated me so well,” Bill said. “Everything was fantastic.”

Bill shares his story publicly now, including at St. Luke's 14th Annual EMS Recognition Event in April 2009, hoping others make the connection that certain symptoms could be warning signs of heart problems. “People try to deny it could happen to them,” said Bill. “I really want to help people realize it could.”

Drawing together medical experts for better education.

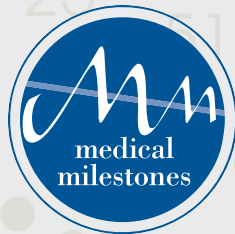

Education is a key element of the St. Luke's Foundation mission. It allows us to connect the knowledge and experience of St. Luke's staff with the needs of the greater community. We also support the continuing education of our medical professionals by sponsoring conferences that bring in outside experts. Three of our on-going initiatives are highlighted below.

Our **Medical Milestones** luncheon series educates the community on current health issues. The luncheons are open to the public and feature physicians and health care professionals from St. Luke's. Topics in 2009 included *Hormone Replacement Therapy; Heat, Stress, Biomechanics and the Marathon Run – Is 26 Miles Too Far?;* and *Dietary & Lifestyle Habits for Healthy Living.*

The topic, *Women's Health Issues: Gender DOES Matter*, brought together physicians and other medical professionals for St. Luke's fifth annual **Regional Congress on Women's Health**. The conference was funded in part by the Foundation's Lundberg Memorial Lecture Series. Established in 1983 by the family of Kay R. Lundberg, MD, it honors the former anesthesiologist by focusing on education and awareness of controversial topics in medicine. It's one of the many education programs funded through restricted gift funds, which you can read more about on page 6.

In appreciation of the critically important work of regional first responders, St. Luke's sponsors an

Annual EMS Recognition Event, including a half-day education program. The Foundation helps make it possible for more than 200 EMS professionals to attend free of charge and earn continuing education credits. Among the speakers at the 2009 event was Bill Vukich, whose story is highlighted on page 1.

Fulfilling a vision to support new research.

In life, Muriel Whiteside was the granddaughter of a timber and mining pioneer, and a generous benefactor of numerous charities, including St. Luke's Foundation. In death, her legacy continues to be written each day.

It was Muriel's generosity and vision – leaving a 50-year trust bequest – that created the Whiteside Institute for Clinical Research in 1996. The Whiteside Institute, a collaborative program of the University of Minnesota Medical School Duluth and St. Luke's Hospital, Clinics and Foundation, supports patient-oriented clinical research with special emphasis in the areas of cancer, lung and heart disease.

WHITESIDE INSTITUTE FOR CLINICAL RESEARCH

St. Luke's Foundation has been privileged to connect Muriel's tremendous gift with numerous important research projects. For instance, an ongoing study to facilitate early detection of pancreas cancer is nearing publication stage. Through this research a new technique was developed for extracting proteins from pancreas fluid. A study to determine the molecular characteristics of bacterial samples from St. Luke's patients with methicillin-resistant *Staphylococcus aureus* (MRSA) pneumonia will help to understand this disease and assist in improving patient treatment. Meanwhile, studies of breast cancer cell markers using tissue samples from anonymous St. Luke's patients will help researchers learn more about the characteristics of various types of breast cancer.

In 2009, at St. Luke's, the Whiteside Institute assisted with 15 original research studies on topics such as cardiovascular disease, cancer, healthy behaviors, chronic disease, health care access, technology and improvement of patient care. In addition, 52 ongoing clinical trials were conducted involving cancer patients. At year's end, 16 people from our community were actively being treated for cancer, and 171 others were continuing in long-term follow-up care. Clinical studies were also carried out in the specialty areas of Cardiology, Endocrinology, Pulmonology and Rheumatology.

St. Luke's Foundation, drawing on the Whiteside Charitable Trust and the expertise within the Whiteside Institute, connects with additional funding sources, such as the St. Luke's Cancer Shoot-Out, the Sand Lake Shuffle and generous individual donors, to make this important research possible.

2009 Grants

Arrowhead Parish Nurse Program

Health education and support for homebound older adults and vulnerable families

\$1,400

Charity Care

Donor restricted fund to help underwrite direct patient care

\$5,400

Churches United in Ministry (CHUM)

Nurses' clinic addressing the health care needs of homeless and very-low income members of the Duluth community

\$1,000

Complimentary Newspapers

Providing newspapers for St. Luke's patients

\$7,705

Fit City Duluth

Active Living Advocacy

Reducing the prevalence of obesity and other preventable diseases by promoting physical activity, healthy eating and a healthy environment

\$12,500

Gladys Eklund McKissack Scholarship

Scholarship for a St. Luke's employee to finance his or her education in pursuit of nursing career goals

\$450

Just Kids Dental Health

School-based oral health program focused on providing preventive dental care for underserved children in our community

\$5,000

Lake Superior College Health Care Careers Scholarship

Scholarship for Lake Superior College Health Care students

\$3,750

Lake Superior Medical Society Alliance

Health education for area school students to promote healthy living

\$3,590

Northern Waters Parish Nurse Ministry

Community outreach to encourage and support physical, emotional and spiritual well-being

\$1,500

Regional Congress on Women's Health

A portion of the 5th annual conference was funded by the Dr. Kay R. Lundberg Memorial Lecture Fund

\$2,000

St. Luke's Acute Rehabilitation Unit

Creation of a transitional apartment to assist patients and families in the move from a hospital setting to their residence

\$49,300

St. Luke's Breast Center

Breast cancer education and awareness

\$1,121

St. Luke's Cardiac Rehabilitation

Educational materials and continuing education for Cardiac Rehab staff

\$1,152

St. Luke's Catheterization Lab

Additional state-of-the-art Cardiac Catheterization Lab

\$54,552

St. Luke's Chaplaincy

Education for St. Luke's chaplains, chapel piano maintenance

\$460

St. Luke's Education Department

Providing community education and car seats through safety clinics

\$265

St. Luke's Education Department

CPR, first aid, trauma and extrication training with realistic mannequins

\$2,136

St. Luke's Employees

Interest-free computer loans

\$99,550

St. Luke's Gastroenterology Department

Endoscopy education for staff

\$400

St. Luke's Hospice Duluth® and Home Care

Ensuring Hospice continues to offer palliative, personal, emotional and spiritual care for patients and their families regardless of their ability to pay for services

\$66,397

St. Luke's Laboratory

Microbiology Instrumentation Interface for the Cepheid GeneXpert high tech molecular diagnostic system for real-time Polymerase Chain Reaction testing

\$3,000

St. Luke's Library

Educational materials for the Hilding Memorial Library

\$1,869

St. Luke's Marketing Department

Assist in education of first responders at the annual EMS Recognition Event

\$1,750

St. Luke's Pediatric Associates

Educational books and literature for the Reach Out and Read Program

\$4,500

St. Luke's Pediatric Speech and Occupational Therapy

Expanding services and treatment of pediatric patients with communication and physical disabilities

\$976

St. Luke's Pharmacy

Continuing education/conference for staff

\$5,414

St. Luke's Physical Rehabilitation

Therapeutic intervention to enhance motor planning and sequencing in rehabilitation patients

\$8,590

St. Luke's Physical Therapy

Equipment to enhance pediatric physical therapy sessions

\$4,350

St. Luke's Radiology Department

Continuing education/conference for staff

\$1,011

St. Luke's Regional Cancer Center

Gas cards and lodging for cancer patients, creation of a wig room, cancer support groups, maintenance of the Cancer Center's aquarium and continuing education/conference for nursing staff

\$8,619

St. Luke's Respiratory Care Department

Non-invasive ventilator for use with acutely ill respiratory patients

\$12,641

Judith H. Lewis Fund

to provide continuing education, training and educational materials on the latest respiratory care for therapists.

\$663

St. Luke's Sleep Center

Purchase of a transcutaneous CO₂ monitor for Sleep Center patients

\$10,000

St. Luke's Speech Therapy Department

Purchase of VitalStim-Experia device to provide treatment to stroke and neurological patients

\$14,000

The College of St. Scholastica Health Science Scholarship

Scholarship for Health Science students at St. Scholastica

\$7,500

University of Minnesota Duluth Medical School Scholarship

Scholarship for students of UMD Medical School

\$7,500

Whiteside Institute for Clinical Research

Advancing clinical research in the areas of cancer, lung and heart disease

\$223,130

2009

total grants

awarded

\$635,141

Restricted *Gift Funds*

These 13 funds assist St. Luke's Foundation in our mission to advance health education. They were established by generous supporters who believe in the power of education.

Anderson Hilding Memorial Fund

LECTURE

Est. 1974

This lecture honors the memory of Anderson C. Hilding, MD, PhD, an otolaryngologist who conducted research at St. Luke's Hospital for 58 years.

John W. Brickson Memorial Fund

LECTURE

Est. 1974 by his widow, Bernice Tweed Brickson; son, John T. Brickson; and daughter, Alice O'Connor

In memory of Duluth investor, John W. Brickson. The fund was initiated by his family to present topics of current interest in the fields of Internal Medicine and Cardiology.

Nora Brindos Fund

EDUCATION

Est. 1973

To promote continuing education opportunities for nurses employed at St. Luke's Hospital.

Lois Finch Fund

EDUCATION

Est. 1982-83 through the will of Lois J. Finch

For continuing education of the nursing staff of St. Luke's Hospital.

Dr. Donald and Leona Larson Fund

LECTURE

Est. 1985

Supports lectures relating basic research advances to improvements in medicine.

Judith H. Lewis Fund

EDUCATION

Est. 1977

Administered by the Duluth-Superior Area Community Foundation. Used to aid nurses or other qualified individuals in pursuing continuing education or educational materials in various fields involving respiratory disorders.

Dr. Samuel N. and Leone S. Litman Memorial Fund

LECTURE

Est. 1980

Established in memory of Samuel N. Litman, MD, former Chief of Staff and Chief of Pediatrics at St. Luke's Hospital for more than 50 years. Dr. Litman was a pioneer in the preventive medicine approach to pediatrics care in our region. This lectureship was established to further education in pediatrics for health care professionals and also honors the memory of Dr. Litman's wife, Leone S. Litman.

Dr. Kay Lundberg Fund

LECTURE

Est. 1982-83

Established in memory of Kay R. Lundberg, MD, a former St. Luke's intern and anesthesiologist. This fund sponsors medical education lectures on topics that are controversial in medicine.

Dr. Dana C. Rood Fund

EDUCATION

Est. 1945 by Dr. Rood

To promote continuing education opportunities for nurses employed at St. Luke's Hospital.

Benjamin Stockman Fund

EDUCATION

Est. 1941 in memory of May Elizabeth Stockman

To promote continuing education opportunities for nurses employed at St. Luke's Hospital.

Dr. Kenneth Storsteen Trust

LECTURE

Est. 2003

Establishment of a surgery lecture fund.

St. Luke's Hospital Educational Memorial Fund

EDUCATION

Est. 1955 with memorials to Dr. S.H. Boyer, Sr. Subsequently augmented by many separate gifts as memorials to other individuals

For the purpose of financial aid in the post-graduate education of members of the medical, intern and nursing staffs.

McKissack Nursing Scholarship

EDUCATION

Est. 1998

Established in memory of Gladys Eklund McKissack, a 1942 graduate of St. Luke's School of Nursing, by her husband, Colonel Ray McKissack. The annual scholarship helps current St. Luke's employees finance their education in pursuit of their nursing career goals.

Fundraising events: connecting creativity, generosity and fun

For some, it's to provide a tribute to a loved one. For others, it's a strong commitment to overcoming a health issue. Every donor has his or her own reasons for supporting St. Luke's Foundation, and whatever the motivation, we are touched by their generosity. We find it especially heartwarming to witness the passion and commitment our friends put into fundraising events that hold special meaning for them. Here is a look at the fundraising events of 2009.

Our signature event, the **Circle of Light**, is a celebration of St. Luke's. Funds are raised each year through a dinner, silent and live auctions for a patient care project initiative. In 2009, we dedicated those funds to supplement the building of a third Cardiac Cath Lab. Additionally, we recognized outstanding supporters in three categories, Physician, Employee and Friend:

Dr. Linda Van Etta, St. Luke's Infectious Disease Associates and *Dr. John Van Etta*, St. Luke's Internal Medicine Associates

Kathryn Brown, St. Luke's Education Department

Lizette and John Larvien, Friends of the Foundation

Proceeds from the sale of honor or memorial ribbons on our **Hospice Memorial Tree** help provide in-home, in-hospital and grief support care of terminally ill patients and their families.

Our oldest fundraising event, the **Benefit Tournament**, has been a tradition since 1983.

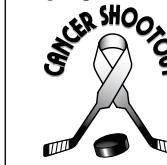

This golf, croquet, tennis, and bridge tournament is held each July at Northland Country Club and raises money for our unrestricted grants program.

The **Wreath of Remembrance** honors or thanks loved ones, with proceeds from the sale of lights supporting the Foundation's mission of advancing patient care, health education and clinical research.

Each year, the **House of Hearts Celebrity Bonspiel** curling tournament brings an abundance of laughter and generous proceeds for our cardiac and cancer patients.

A group of friends started the **Cancer Shoot-Out** in 2001 as a way to support another friend, Liz Taylor, in her fight against breast cancer. Since 2002, it has been held in her memory. Proceeds fund cancer-related programs at St. Luke's.

The **Touched by Breast Cancer Golf Classic** continues to grow each year. First held in 2002, the golf classic, dinner and silent auction takes place each June at Nemadji Golf Course in Superior to raise money for St. Luke's Breast Center.

The **Sand Lake Shuffle**, an all-night cancer walk featuring a spaghetti feed and survivors' ceremony, is held annually at Voyageur's Sand Lake Resort in Britt. Proceeds support St. Luke's Foundation and Whiteside Institute cancer research.

Each year the Superior Chapter of the Red Hat Society, also known as the **Red Hat Red Hot Mamas Chapter #39569**, sponsors a fall golf outing. "Queen Mom" Ruth Dalbac and her co-chairs organize a 9-hole women's scramble with proceeds aiding local cancer patients with wigs and other personal care items.

Bowling to Beat Breast Cancer is organized each year by breast cancer survivor, Barb Hoag. The tournament raises money to purchase "Chicken Soup for the Breast Cancer Survivor's Soul" books given to St. Luke's Breast Center patients.

The inaugural **Pink Tie** cocktail and hors d'oeuvres party took place at the Black Water Lounge in October 2009 as part of Breast Cancer Awareness Month.

The annual **Women Rock** event is a day dedicated to education, pampering and fun, with money raised benefiting women who are fighting breast cancer through St. Luke's Breast Center.

Tracy's Night was held in memory of Tracy Wright-Sperling, a young Solon Springs teacher, wife and mother who lost her fight with breast cancer. Her friends and family gathered for a special evening to raise money for breast cancer awareness and to benefit St. Luke's Breast Center.

The staff at Younkens Hair & Nail Salon volunteered their time for a full day for **Cuts for a Cure**, providing hair cuts, manicures, pedicures and facials. All proceeds benefitted St. Luke's Breast Center.

Donors of ten or more consecutive years

St. Luke's Foundation is proud to present the following individuals, businesses and families and thank them for their continued contributions, touching our community for more than ten years.

Minnesota Power has shown unwavering support for St. Luke's Foundation for 23 years. It is with immense gratitude that we recognize this generous community partner for its contributions and for allowing us to connect those gifts with areas of need at St. Luke's and in the greater community.

2009 Donors

All donors who gave to St. Luke's Foundation between January 1, 2009, and December 31, 2009, are recognized in this report. Every effort was made to include all donor names from this time period.

If your name is omitted, misspelled, or listed incorrectly, please accept our sincere apologies, and contact the Foundation office at 218-249-5673. We appreciate your generous support.

1881 remains a notable year in St. Luke's history. It's the year St. Luke's first opened its doors above a blacksmith's shop. Today, annual donors of \$1,881 or more become members of St. Luke's Foundation's 1881 Society.

Dear Friends:

Reflecting on the past year and the many opportunities presented and created, we can't help but make the connection that all that's been accomplished was made possible by you. Because of you we were able to achieve initiatives such as the new Cath Lab highlighted in this report.

YOU give us the ability to match the healthcare needs of our patients with the people who have the knowledge, technology, compassion and support to meet them. Through your philanthropy we are able to connect people, our communities and region. Through your gifts we can find and create intersecting points of those in need and those who can help us all advance toward the vision of a community with an improved quality of life.

We are your medical home. We understand how unsettling healthcare concerns can be. So when faced with an unwelcome diagnosis, a recurring challenge or the desire to obtain more knowledge on how to best care for your health and that of your family, we want you to feel the strength of our connection to you. St. Luke's is here to partner with you and your family in moments of uncertainty, fear and joy. From the first breath of a newborn to the last moments of life, our purpose is to help you survive, our higher call is to help you thrive.

As surely as you are here for St. Luke's and our Foundation, we are here for you. We are drawn together by common goals and united we have and will continue to be in good health!

Thank you!

Thank
you for
supporting
St. Luke's
Foundation.

Total Grants / 2008	\$677,088

Many Ways to *Give*

Coming together to give is crucial to St. Luke's Foundation and its mission. All gifts, no matter the size or method of giving, contribute to advancing our reach. Gift-giving options are listed for your consideration.

Outright Gifts

Often the easiest to arrange, many donors support us through gifts of cash, checks, credit cards (VISA/ MasterCard), securities or stocks, real estate and in-kind gifts.

Life-Income Gifts

One of the following trust options may be the best fit for you:

- Charitable Remainder Annuity Trust: A trust that pays you a set income annually.
- Charitable Remainder Unitrust: A trust that pays a fixed percentage of the trust's assets.
- Charitable Lead Trust: A trust that pays a fixed or variable income to St. Luke's Foundation for a set term, and then passes to heirs.

Life Insurance

Name St. Luke's Foundation as the beneficiary for income tax deductions.

Retirement Plan

Name St. Luke's as the beneficiary of the remainder of the assets after your lifetime, avoiding a heavily taxed gift to heirs.

Retained Life Estate

Designate the ownership of your home to St. Luke's while you retain occupancy.

Bequests in Wills

Please tell us if you have named St. Luke's Foundation in your will. We would love the opportunity to share our appreciation.

Sample bequest language for St. Luke's Foundation:

"I, (name) give, devise and bequeath to St. Luke's Foundation (written amount or percentage of the estate or description of property) for its unrestricted (without conditions attached) use and purpose."

If you want to restrict your bequest, please consult with St. Luke's Foundation when you make your will to be certain your intent can be accomplished.

GiftCalcs Planner

Giving on-line is easy.

Visit www.slhduluth.com and click on the Foundation link. In addition to

our online giving form, you'll find our **GiftCalcs Planner** – an interactive tool that lets you run sample gift calculations and their financial benefits to you.

For more information on how you can support the mission of St. Luke's Foundation, please contact Catherine Carter Huber at 218-249-2420 or ccarterhuber@slhduluth.com. We would be honored to work with you to ensure your wishes are carried out in the manner that best meets your needs.

This information is not intended as legal, tax or investment advice. For such counsel, please contact an attorney or tax or investment professional.

Mission

*St. Luke's Foundation provides financial support
to St. Luke's and the region it serves to advance patient care,
health education and clinical research.*

Dedicated to *Dale Marshall* 1944-2009

Dale Marshall was a dedicated employee of the Housekeeping department for more than 40 years. To know Dale was to appreciate him and the way he was always willing to lend a hand and share his insightful advice.

"Take a look at that floor, what do you think of that shine?" was one of his favorite lines, along with "What about those Yankees?"

Dale took his project work seriously and never failed to make his end result shine, according to his colleagues. He passed away unexpectedly last July. It is our honor to help Dale's memory continue to shine by dedicating this annual report to him.
