2012 Annual Report

A giving heart has an infinite capacity to expand and grow

This year, the giving hearts who donated to St. Luke's Foundation helped us expand our mission even further into the communities we serve. Your generous gifts continue to grow, supporting more patients and families with the emotionally essential things that make a difference in patient quality of life. Thanks to YOU, we were able to provide the financial support to advance patient care, provide education and support research for a healthier region. Giving is the ability to touch many lives. Our patients, our families and our community are strengthened by your giving heart.

Mission

St. Luke's Foundation provides financial support to St. Luke's and the region it serves to advance patient care, health education and clinical research.

Research on shortness of breath

Vance Bachelder, MD
Pulmonary Medicine

Dr. Vance Bachelder, of St. Luke's Pulmonary Medicine, is researching airway inflammation to find better treatments for people with asthma and other diseases of the lungs and airways. His current study requires a nitric oxide analyzer. With no such device in the Duluth area, he applied

for a St. Luke's Foundation grant. The Foundation gift was a key funding source to acquire the equipment. "If St. Luke's Foundation hadn't helped us get started, it wouldn't have happened," Dr. Bachelder says.

State-of-the-art operating rooms

Mark Eginton, MD
Vascular Surgery

With the help of St. Luke's Foundation, hybrid operating suites are now being built at St. Luke's. "The role of the Foundation in providing initial funding was critical," says Dr. Mark Eginton, vascular surgeon with St. Luke's Pavilion Surgical

Associates. The new technology suites are half-OR and half-cath lab, allowing for different cardiovascular procedures to be done in the same room. "It's the state-of-the-art care used around the world," says Dr. Eginton.

Keynote speaker for Emergency Services

St. Luke's Foundation sponsors the keynote speaker at an annual event honoring the men and women of emergency services. This year the speaker was Dr. Janis Amatuzio, a board-certified forensic pathologist and best-selling author. Randy Tillman, emergency responder with Gold Cross Ambulance, is familiar with her work. "I've read her books and know of her deep compassion for patients. Learning how to talk compassionately to patients and families is important," he says.

Randy appreciates the Foundation's support. "Thank you for doing this for the EMS community. It's a vital service. Most of us are volunteers. It means a lot to get that extra education opportunity. This enhances patient care, and helps us with what we deliver in the field."

Small Things Fund

Krisa Christian, MD
Internal Medicine

The Small Things Fund was started in 2011 after Dr. Krisa Christian, St. Luke's Internal Medicine, approached St. Luke's Foundation with the idea. Dr. Christian realized some patients needed help with gas, food and other incidentals. The fund's name comes from a quote by Mother Teresa: "We can do no great things. Only small things with great love." Currently the fund provides one-time gifts of up to \$100 to patients in need. "Our budget isn't big, but we hope to expand," says Dr. Christian. "We need to get the word out about these little gifts, the gas cards, the grocery cards. This stuff is huge. It keeps people afloat." She's grateful to the Foundation for administering the fund.

A photograph of a family of six sitting on a rocky shore by a large body of water at sunset. The family consists of a man, a woman, a young boy, a young girl, and two older adults. They are all smiling and looking towards the water. The sky is a mix of blue and orange, and the water is calm with some ripples. In the background, there are trees and a small boat on the water.

St. Scholastica Centennial keynote speaker. Her best-selling book explores issues in medical ethics, race relations and justice.

8TH ANNUAL REGIONAL CONGRESS ON WOMEN'S HEALTH

10TH ANNUAL TOUCHED BY BREAST CANCER GOLF CLASSIC

Since 2003, the Touched by Breast Cancer Golf Classic has raised \$69,250 for St. Luke's Breast Center. Quilt shows held in conjunction with the tournament

supplied beautiful handmade quilts for breast cancer patients. The 10th and final tournament was held on June 22, 2012.

29TH ANNUAL BENEFIT TOURNAMENT

Featuring golf, croquet, tennis and bridge, this is St. Luke's Foundation's oldest fundraising event. It

takes place each July at Northland Country Club, and in 2012 it raised \$49,175 for St. Luke's Foundation's unrestricted grants program.

9TH ANNUAL CIRCLE OF LIGHT

8TH ANNUAL WOMEN ROCK

Each November, Charter Media hosts a day of pampering, fun and education at Spirit Mountain to demonstrate that Women Rock in the Fight Against Breast Cancer. In 2012, \$26,843 was raised for St. Luke's Breast Center.

DONOR PROFILE

Paul McNitt Memorial Bike Run and Red Hat Red Hot Mamas Ladies Only Golf Outing

Cindy McNitt, Ruth Dalbec and Kathy Hesselgrave on helping people coping with cancer

“The foundation is a worthy cause, and we have a lot of fun doing it. Every year we raise more money than the previous year.”

- Ruth Ann Dalbec

In 2012, three active ladies in the Superior area worked hard to benefit St. Luke’s Foundation **Cancer Care Fund**. The **Paul McNitt Memorial Bike Run** was started by Paul McNitt’s family in 2011, shortly after he died of kidney cancer. And the local Red Hat Society Red Hat Red Hot Mamas chapter hosted its annual Ladies Only Golf Outing.

“It’s been an honor to be a part of both groups,” says Kathy Hesselgrave. “The McNitts are friends of mine, and I’ve had cancer in my family. Almost every family has been touched by cancer. St. Luke’s Foundation does its work locally, to help local people.” Because of her work with the Red Hat Red Hot Mamas, Kathy was aware of the Foundation’s support for families coping with cancer, and she told the McNitt family about the Foundation’s work.

“We didn’t know about the **Cancer Care Fund** and the Foundation’s work,” says Cindy McNitt, Paul’s wife. “When Paul was dying, and we knew the end was coming, there was coffee, juices, pop, cookies. It was so very nice to have that there, because you don’t want

to leave but you have to eat something. Afterward, we found out it was from the Foundation. They have many options for support, and sometimes we all need a little support.”

This is the second year for the **Paul McNitt Memorial Bike Run**. The first year, 20 motorcycles participated. In 2012, 70 bikes were involved. “The people around here are great about helping out and giving to support people with cancer,” says Cindy.

Ruth Ann Dalbec is the Queen Mom of the Red Hat Red Hot Mamas, who have been hosting the golf tournament for seven years. “St. Luke’s Foundation is a worthy cause, and we have a lot of fun doing it. Every year we raise more money than the previous year.” The Red Hat Red Hot Mamas enjoy working with the Foundation, and love being able to contribute to a fund that helps so many people right in the region. “The Foundation helps people get wigs if they can’t afford them, supplies gas cards to get to treatment and food cards,” says Ruth. “They do things that really help people, and we’re proud to support them.”

Ways to give

Coming together to give is crucial to St. Luke's Foundation and its mission. All gifts, no matter the size or method of giving, contribute to advancing our reach. Gift-giving options are listed below for your consideration.

Outright Gifts

Often the easiest to arrange, many donors support us through gifts of cash, checks, credit cards (VISA/MasterCard), securities or stocks, real estate and in-kind gifts.

Life-Income Gifts

One of the following trust options may be the best fit for you:

- Charitable Remainder Annuity Trust: A trust that pays you a set income annually.
- Charitable Remainder Unitrust: A trust that pays a fixed percentage of the trust's assets.
- Charitable Lead Trust: A trust that pays a fixed or variable income to St. Luke's Foundation for a set term, and then passes to heirs.

Life Insurance

You can name St. Luke's Foundation as the beneficiary for income tax deductions.

Retirement Plan

Name St. Luke's as the beneficiary of the remainder of the assets after your lifetime, avoiding a heavily taxed gift to heirs.

Retained Life Estate

Designate the ownership of your home to St. Luke's while you retain occupancy.

Bequests in Wills

Please tell us if you have named St. Luke's Foundation in your will. We would love the opportunity to share our appreciation.

Sample bequest language for St. Luke's Foundation:

"I, (name), give, devise and bequeath to St. Luke's Foundation (written amount or percentage of the estate or description of property) for its unrestricted (without conditions attached) use and purpose."

If you want to restrict your bequest, please consult with St. Luke's Foundation when you make your will to be certain your intent can be accomplished.

GiftCalcs Planner

Giving online is easy. Visit www.slhduluth.com and click on the Foundation link. In addition to our online giving form, you'll find our GiftCalcs Planner, an interactive tool that lets you run sample gift calculations and their financial benefits to you.

For more information on how you can support the mission of St. Luke's Foundation, please call Catherine Carter Huber at 218.249.2420 or send an email to ccarterhuber@slhduluth.com. We would be honored to work with you to ensure that your wishes are carried out in the manner that best meets your needs.

Dear Friends,

Expand and Grow. Our collaboration with you helps us make an essential difference in the lives of all those whom we serve. Be it breathing easier, shorter surgery recovery times, trained emergency volunteers or helping making ends meet, through your giving YOU help bridge crucial moments for those in need.

Our Foundation's vision of creating a better quality of life, as highlighted in this, our 2012 Annual Report, is achieved when we address bullying, technological advancements, medical history and the countless ways our supporters work together to raise resources to **expand and grow** our mission of patient care, health education and clinical research.

A giving heart has an infinite capacity to expand and grow. We have experienced your giving hearts, and on behalf of the people, patients and region we serve, thank you for choosing St. Luke's Foundation to demonstrate your generosity on behalf of the well-being of others.
