

To the

FULLEST

Annual Report 2017

Dear Friends:

Thanks to you, our hearts - and those of our patients - are full. In your hands is our 2017 annual report that's filled with illustrations of impact. Because of your philanthropic support we are able to be helpFUL through new equipment, programs, services, education and research, enriching all whom we serve.

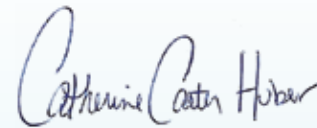

We are *grateFUL* – for the transformative technology you enable us to bring to our region. From tackling individual needs, such as a good night's sleep, to community-wide initiatives, such as opioid education and naloxone distribution, you help us take action in *powerFUL* ways.

The breadth of our grants speaks to the unique needs across the spectrum of health care and how our St. Luke's team is addressing them in *meaningFUL* and innovative ways to enhance the quality of life for everyone in our region.

We are *thankFUL* for you, our donors – the difference makers who bring our shared efforts TO THE FULLEST – who have chosen to demonstrate your compassion through giving to St. Luke's Foundation.

WonderFUL!

In Good Health,

Catherine Carter Huber
Executive Director

Our Mission

St. Luke's Foundation provides financial support to St. Luke's and the region it serves to advance patient care, health education and clinical research.

Enriching occupational therapy through an inspiring gift

Margaret Hiltunen was very proud of her 27-year career at St. Luke's as an occupational therapist. She loved helping people, so it's fitting a gift from her family now helps St. Luke's rehabilitation patients.

This gift is a tribute to an amazing woman. Born in 1933, Margaret was the youngest of 12 children. Her parents were Finnish immigrants who established Pine Hill Dairy in Vermillion Township. After Margaret graduated from Embarrass High School, she took a bus to Minneapolis and toured the University of Minnesota – Twin Cities. She fell in love with the campus, decided to stay, and in 1955 earned her occupational therapy Bachelor of Science degree. After graduation, she worked in Colorado, Michigan and St. Cloud, Minnesota, before returning to join St. Luke's as an occupational therapist.

In early 2017 Margaret passed away at the age of 83. To honor her, Margaret's family presented St. Luke's Foundation with a generous gift for rehabilitation services equipment.

As Nathan Johnson, supervisor, St. Luke's Inpatient Physical/Occupational/Speech Therapy, explains, "We carefully selected equipment that allows us to continue delivering high-quality care to a broad range of patients, from young children with concussions to elderly people who have suffered a stroke."

Thanks to the gift honoring Margaret, St. Luke's Rehabilitation Services department will have four new equipment systems to help patients with upper body mobility issues, memory loss, cognitive impairments, vision loss and other similar conditions.

Help FUL

Tami LaPole Edmunds

*I am
abundant
health*

St. Luke's patients with cancer receive a special brand of love, thanks to Tami LaPole Edmunds. While dealing with lymphoma last summer, Tami created a necklace inscribed with "I am abundant health." "Tami Love" necklaces are available at her Art in the Alley stores and St. Luke's Gift Shop. Tami contributes proceeds of Gift Shop necklace sales to the Foundation. In addition, the buyer may select a headscarf created by Tami to donate to a St. Luke's Cancer Center patient and include a personal note of encouragement.

THE GREATEST
HEALING THERAPY IS
FRIENDSHIP AND LOVE

— Hubert Humphrey

GrateFUL

Dr. William Merrick

Paving the way for continued surgical successes

“For more than 30 years, I spent most mornings in OR 4,” recalls Dr. William Merrick, a long-time Duluth ear, nose and throat (ENT) surgeon, reflecting on his career at St. Luke’s.

A native of Winnipeg, Ontario, Canada, Dr. Merrick earned his medical degree from the University of Manitoba, and then looked for ENT residencies. One of the best-known at that time was the University of Minnesota – Twin Cities, where he completed his residency. In 1963, Dr. Merrick and his wife, Joyce, moved to Duluth, where he set up his own ENT surgical practice in the Medical Arts Building. Over the next 30 years he and his colleagues built a thriving practice.

During this time Dr. Merrick enjoyed an active and engaged community life, and that continued when he retired in 1994. Now 86 years young, Dr. Merrick remains active by golfing and spending time with his two sons and grandchildren.

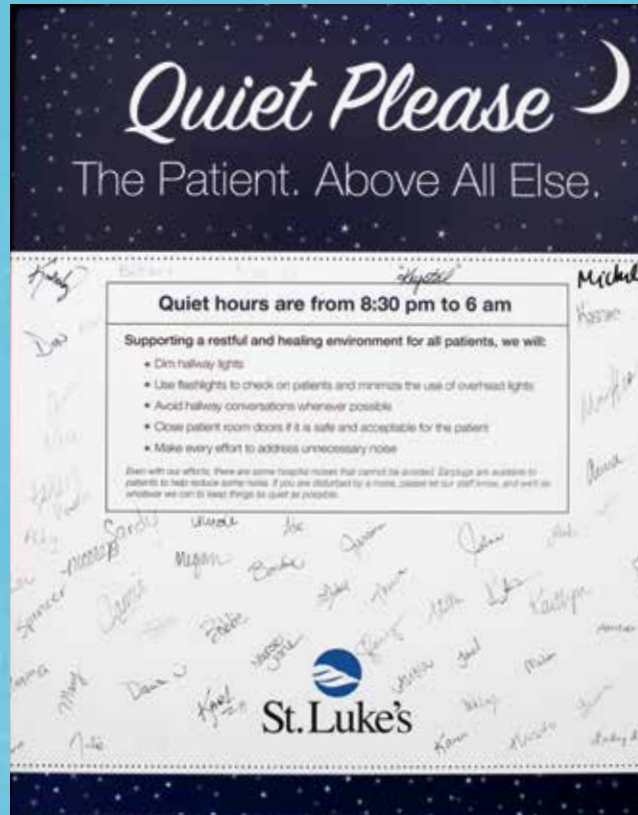

As Dr. Merrick says: “I was fortunate to have a very rewarding career and I was proud to make a donation to the Foundation.”

And we’re proud that his expertise and presence lives on in St. Luke’s Surgical & Procedural Care’s OR 4, named in his honor.

Shhhh

Quiet Initiative

7 West Nursing Unit

Rest is a powerful part of healing, and St. Luke's patient care units are embracing the Quiet Initiative, which includes a state-of-the-art patient care call system, made possible in part by the 2017 Circle of Light gala. The system uses unobtrusive alerts (no more paging beeps and announcements) to promptly respond to patient requests. Another benefit: the system gives nurses a more personal connection to their patients, which also promotes healing.

A blurred photograph of a hospital room. In the background, a nurse in a dark uniform stands near a patient lying in a hospital bed. The patient is partially visible, wearing a white hospital gown. The room has light-colored walls and a window with curtains. The overall scene is out of focus, emphasizing the text overlaid on it.

REST IS A POWERFUL
PART OF HEALING

Helping solve our community's opioid epidemic

“The major public health crisis of our generation is the opioid use disorder epidemic,” says Dr. Nicholas Van Deelen, St. Luke’s Hospital Emergency Medical Director. The crisis is also clear in the St. Luke’s emergency department (ED). Every day patients come in with opioid overdoses.

While ED staff members provide immediate naloxone treatment to reverse the overdose effects, patients also need tools for long-term treatment and recovery. There hasn't been a coordinated program in place to do that.

So, Dr. Van Deelen and his ED team, including Dr. Heather Blue, an emergency medicine pharmacist, requested support from the Foundation.

Now, St. Luke's started an emergency opioid education and naloxone distribution (OEND) program. Similar programs exist at national and state levels.

“Addiction is a chronic disease, just like asthma and diabetes,” Dr. Van Deelen explains. “Medications can control the physical urges to use opioids, which allows people to rebuild their lives.”

The OEND program allows St. Luke's to provide naloxone to selected patients when they are discharged from the ED. These patients also receive information on easily accessible, confidential community resources for opioid treatment and recovery.

“It's visionary of the Foundation to support these efforts,” Dr. Van Deelen says. “We're grateful to not just treat patients, but also help them with recovery.”

PowerFUL

Dr. Nick Van Deelen

Red Hat Mamas

*Golfing
"fore"
patients*

Peggy Warring

The Red Hat Mamas, a Superior chapter of the Red Hat Society, wrapped up its final golf outing fundraiser in August 2017. During its 10-year run, they contributed \$27,950 to St. Luke's Cancer Care Fund to support patients undergoing treatment.

North Shore Bank

Thriving
through
giving

Doug Lewis, Chairman, North Shore Bank

Steadfast, long-term support helps everyone live to the fullest. North Shore Bank is a 30-year partner with St. Luke's Foundation. This partnership is exemplified by continued support for the Cancer Shootout Breast Cancer Research Fund and through employees who have served on the Foundation and St. Luke's boards of directors. Additionally, the bank supports special projects and initiatives, which allows the Foundation to continue its dedication to area residents.

Janice Wicklund Biga

*Honoring
Jan
Biga*

In celebration of retired St. Luke's nurse Jan Biga's 80th birthday, her family made a generous gift in her honor to name the volunteer room in St. Luke's Surgical & Procedural Care. A 1958 graduate of St. Luke's School of Nursing, Jan served patients and St. Luke's as a nurse, volunteer and board member.

Ways to Give

Coming together to give is crucial to St. Luke's Foundation and its mission. All gifts, no matter the size or method of giving, contribute to advancing our reach. Gift-giving options are listed below for your consideration.

OUTRIGHT GIFTS

Often the easiest to arrange, many donors support us with gifts of cash, checks, credit cards (VISA, MasterCard, American Express, Discover), securities or stocks, real estate, or in-kind gifts.

LIFE-INCOME GIFTS

One of the following trust options may be the best fit for you:

- **Charitable Remainder Annuity Trust:** A trust that pays a set income annually.
- **Charitable Remainder Unitrust:** A trust that pays a fixed percentage of the trust's assets.
- **Charitable Lead Trust:** A trust that pays a fixed or variable income to St. Luke's Foundation for a set term, and then passes to heirs.

LIFE INSURANCE

Name St. Luke's Foundation as the beneficiary for income tax deductions.

RETIREMENT PLAN

Name St. Luke's Foundation as the beneficiary of the remainder of the assets after your lifetime, avoiding a heavily taxed gift to heirs.

RETAINED LIFE ESTATE

Designate the ownership of your home to St. Luke's Foundation while you retain occupancy.

BEQUESTS IN WILLS

Please tell us if you have named St. Luke's Foundation in your will. We would love the opportunity to share our appreciation.

Sample bequest language for St. Luke's Foundation:

"I, (name), give, devise and bequeath to St. Luke's Foundation (written amount or percentage of the estate or description of property) for its unrestricted (without conditions attached) use and purpose."

If you want to restrict your bequest, please consult with St. Luke's Foundation when you make your will to be certain your intent can be accomplished.

GIVE ONLINE

Simply visit slhduluth.com/foundation and click on "Make a Donation." For more information on how you can support the mission of St. Luke's Foundation, please call Catherine Carter Huber at 218.249.2420 or send an email to ccarterhuber@slhduluth.com. We would be honored to work with you to ensure that your wishes are carried out in the manner that best meets your needs. This information is not intended as legal, tax or investment advice. For such counsel, contact an attorney or tax or investment professional.
